#ChoosePayroll #NPW23

It's National Payroll Week and we want to talk about what we do and what you should look for when choosing a payroll provider.

What should you look for when choosing a payroll provider?

- Choose a provider that has a proven track record in payroll.
- Has experience in your sector.
- Can demonstrate they understand statutory reporting requirements i.e. TPS/LGPS schemes, so that you are not left vulnerable to compliance issues, penalties and unhappy employees.
- They are an accredited Payroll Assurance Scheme organisation with the Chartered Institute of Payroll Professionals (CIPP).
- Can provide hands on support when moving from one payroll provider to another to make the transition smooth and seamless.

Why outsource your payroll?

- Peace of Mind - let the professionals give you peace of mind, so you know that your payroll is being processed correctly and in line with all statutory requirements.
- Legislation handled - you don't have to worry about keeping up to date with changes to taxation, statutory payments or pension responsibilities. Let us take care of all of this.
- Business continuity - we have a team of professionals available, so we don't worry if there is absence or increased workload pressure, because we can flex our resources accordingly as well as ensuring we are ready for any issue.
- Prevent fraud - leaving us to manage your payroll removes the opportunity for fraud and reduces errors because we have robust processes in place that mean your payroll data is scrutinised every month.
- Added value and cost effectiveness - we do payroll! We'll ensure our staff are trained and have the skills needed to provide a great service, so you don't need to employ specialist staff. We'll provide help and guidance via our help desk and will ensure your staff are paid correctly and on time and that all statutory responsibilities are met, allowing you to focus on other areas of your business.

To find out more about the HR Connect payroll service call our friendly team on **0330 124 9996**. Or get in touch by email - info@hrconnect.org.uk
